

JOSHUA RUSSEL P. UY

Full Stack Developer | IT Support Specialist | Web Developer

✉ ujoshua368@gmail.com ☎ 09195034746 📍 Tagbilaran City, Bohol, Philippines

SUMMARY

Information Technology graduate with experience in full-stack web development, IT support, and database management. Skilled in React, JavaScript, PHP, Laravel, and MySQL with strong troubleshooting and problem-solving abilities.

PROJECTS

eReligiousServices

- Developed **eReligiousServices**, a web-based reservation and scheduling system for Holy Name University's Center for Religious Education and Mission (CREaM) to digitize and streamline liturgical service requests.
- Built a Laravel-based scheduling system with real-time calendar, role-based access, and automation features.
- Improved efficiency and reduced manual workload through process automation.

EXPERIENCE

Provincial Government of Bohol, Office Clerk

08/2021 – 01/2022

Tagbilaran City, Bohol, Philippines

- Performed data entry, filing, and administrative support tasks.
- Provided basic IT support for office systems and devices.
- Maintained confidential records with accuracy and professionalism.

Provincial Government of Bohol, IT Support

12/2025 – 03/2026

- Provided technical support for hardware, software, and network issues.
- Managed document filing, indexing, and records organization.
- Assisted in workstation setup, office relocation, and meeting preparation.
